NANOMEDICINE: FROM MOLECULES TO DIAGNOSIS AND THERAPY

October 1-3, 2012

Aula Convegni

Consiglio Nazionale delle Ricerche

**Department of Technology and Health - ISS
Institute of Chemical Methodologies - CNR**

SESSIONS

**DIAGNOSIS
THERAPY
TISSUE ENGINEERING**

Each session will cover the following topics:

*Design
Modelling
Characterization (spectroscopy, microscopy, in vitro studies)
Application*

Registration Fee

Before June 30th, 2012
Students/Postdocs: 100 €
Academia/Industry: 170 €

After June 30th, 2012
Students/Postdocs: 150 €
Academia/Industry: 250 €

Abstract submission
nanodrug.delivery@cnr.it
Deadline: July 15th

Invited Speakers

Nicolas Beziere
Pieter Cullis
Alberto Diaspro
Ruth Duncan
Alberto Abraham Gabizon
Yourii Gounko
Jean-Christophe Leroux
Livio Pagano
Maurizio Prato

The Conference presentations will consist of invited lectures, oral presentations, selected by the Program Committee, and posters. Plenary sessions are planned for all oral presentations.

Congress Chairpersons

Giovanna Mancini
E-mail: giovanna.mancini@uniroma1.it
Agnese Molinari
E-mail: agnese.molinari@iss.it

Scientific Advisory Board

Giancarlo Angelini
Enrico Garaci
Velio Macellari

Scientific Committee

Giuseppe Arancia
Cecilia Bombelli
Paola Luciani
Giovanna Mancini
Stefania Meschini
Agnese Molinari
Annarita Stringaro

Organizing Committee

Giuseppina Bozzuto
Marisa Colone
Maria Condello
Giuseppe Formisano
Annalisa Gallo
Luisa Giansanti
Laura Toccaceli

Organizing Secretariat

Monica Brocco
Giuliana Gigli
Alessia Medici
Marco Pastore
Enrico Rossi
Aurelia Stella

GENERAL INFORMATION

Website: <http://www.nanodrug.cnr.it>

Location: Consiglio Nazionale delle Ricerche, Aula Convegni

Address: Piazzale Aldo Moro 7, Roma

Conference language

The official conference language is English. No simultaneous translation service will be provided during the conference.

Invited lectures

Invited talks will be 30 minutes long, plus 10 minutes for discussion.

Oral presentations

Oral presentations will be 15 minutes long, plus 5 minutes for discussion.

Poster presentations

The available board area for poster presentations is 70 cm (width) x 100 cm

Under the auspices of:

Italian Association of Cell Cultures (AICC) and Italian Society of Microscopical Sciences (SISM)
